

FUNDRAISE WITH THE JDRF KIDS WALK TO CURE DIABETES FACEBOOK APPLICATION

It's as easy as 1-2-3! Here's how you can use Facebook to increase your fundraising in just a few simple steps.

STEP 1

Log in to your Participant Center at kidswalk.jdrf.org and click on "Fundraise with Facebook."

STEP 2

Follow the easy steps to download the JDRF Kids Walk to Cure Diabetes Facebook application.

STEP 3

Use the tools provided, and watch the dollars roll in!

TOOL HIGHLIGHTS

Show your support and increase awareness of JDRF by changing your profile and/or cover photos to the JDRF Kids Walk to Cure Diabetes images.

Create your own posts to share your progress towards your goal.

Check your fundraising progress conveniently.

Make a SELF-DONATION to jump start your fundraising and set an example for your potential donors.

Easily ask your network of friends to support you and to say "THANK YOU!" for helping create a world without type 1 diabetes.

Sit back while the donation stream feature posts updates on your fundraising progress on your behalf!
